March Topics

The following are the webinar topics for March. If you have suggestions for future webinars or questions, please share them with CCFATraining@massmail.state.ma.us.

CCFA Absences Webinar

In this webinar we will discuss CCFA Absence policies; how they are implemented in CCFA and how they affect your attendance and billing.

Thu, Mar 3, 2016 4:00 PM - 5:00 PM
https://attendee.gotowebinar.com/register/6719800925885345028

Adjustments to Previous Invoices Webinar

In this webinar we will discuss the process for making changes to attendance and/or placements after you have submitted your invoices. This is new functionality in CCFA to support billing.

Thu, Mar 17, 2016 10:00 AM - 11:00 AM
https://attendee.gotowebinar.com/register/3365227233425077764

Tue, Mar 22, 2016 9:00 AM - 10:00 AM
https://attendee.gotowebinar.com/register/7826871696103014916

Mon, Mar 28, 2016 9:00 AM - 10:00 AM
https://attendee.gotowebinar.com/register/4652452983853348356

CCFA Age Up and Missing Rates Webinar

This webinar will provide instruction on how to resolve the failure to age up, overlapping attendance

and missing rates messages.

Mon, Mar 7, 2016 9:00 AM - 10:00 AM
https://attendee.gotowebinar.com/register/3937435074751775748

CCFA Attendance and Transportation Codes Webinar
This webinar will provide a discussion of attendance codes and transportation codes, when they are used and how they affect billing. This is a breakout of the original recorded Attendance video. Please preview the recorded Attendance video prior to this session and submit specific questions during registration.

Wed, Mar 9, 2016 11:00 AM - 12:00 PM
https://attendee.gotowebinar.com/register/7623369685987213572

Attendance Troubleshooting
In the Troubleshooting Webinar, the moderators will discuss questions submitted for the session. The moderator will select as many questions for investigation as possible.

Note that not all questions will be able to be answered during the session. These webinars will be used to assist CCFA users in troubleshooting problems in CCFA.

Please submit a detailed description of your issue/question including relevant PIDs, FIDs and Organization IDs when registering for the session. If you do not submit your question beforehand, you will be asked to provide the detailed question during the webinar.
